Surgical Associates Online Health Services

Surgical Associates of Gadsden, P.C. now provides patients an opportunity to access their personal health information on our secure practice portal.

This service will give patients the ability to request prescription refills for maintenance medications, request appointments, review medical summaries; which includes the most recent lab results, vital signs, medical conditions, and other important information.

You will be mailed a specific PIN number and the internet access link. While you are in the office a staff member will set up your login information to get you started. You will then be able to change your password once you access the link.
